Keeping you informed *COVID-19 Update – April 2020*

The Wales Safeguarding Procedures offer consistent and accessible advice on safeguarding children and adults. Perhaps now more than ever before, the existence and availability of these procedures are even more important.

Wales Safeguarding Procedures – What's Changed?

C&V RSB have published two quick guides that outline the key changes in the Wales Safeguarding Procedures. These are attached to this update and can also be accessed via C&V RSB website.

Adults - <https://www.cardiffandvalersb.co.uk/adults/professionals/wales-safeguarding-procedures/>

Multi-agency Regional Training Update

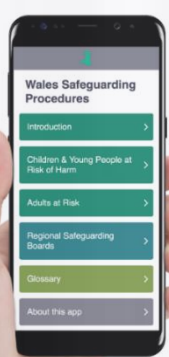

All training for the Wales Safeguarding Procedures is currently suspended in line with Government advice. Once training resumes, practitioners will be informed.

COVID-19 Information and Advice

National and regional updates will be provided on a regular basis via the Safeguarding Boards' website. The website also contains information, advice and resources for professionals and those within the community on how to respond and stay safe during this pandemic:
